

# 25 YEAR

---

## INSTALLATION WARRANTY

This warranty covers parts and labour for 25 years on products installed by Dayside Windows and Doors.

The warranty is transferrable. To transfer the warranty, the homeowner must contact Dayside within 30 days of taking possession of the home and an administration fee will be charged for this service.

This warranty does not cover damages caused by: misuse, abuse, alterations, accidents, break-ins, acts of God, fire, structural movement of the building, installation by a tradesperson not contracted by Dayside, or frost/condensation build-up due to high humidity levels inside the building.

---
